

Client (Parent/Guardian) Responsibilities

NFSB is a Family Therapy Treatment-based agency. When treating minors (clients under age 18), we encourage their guardians/parents to be a significant part of each psychotherapy session. Progress toward your child's goals will be more effective and timely with your involvement and support.

- Parents/guardians are expected to remain onsite for the duration of the psychotherapy session for all clients aged 12 and younger.
- Clients aged 12 years and under will be accompanied out of the psychotherapy center by the parent or guardian. NFSB is indemnified and held harmless of any responsibility for the child's safety once any child has left the premises.
- Clients are responsible for complying with their therapist's treatment recommendations.
- Clients are expected to behave in a respectful manner towards all NFSB staff.
- Under certain circumstances, NFSB may terminate services if a client fails to comply.
- If your child cannot attend an appointment, you or your child should call to cancel at least 24 hours in advance. With the exception of emergencies, if he or she misses an appointment without providing 24 hours notice, you will be responsible for the payment of a \$25 cancellation fee.
