

COMMUNITY FOOD DRIVES FOR NFSB PANTRY

A big SHOUT OUT of thanks to NFSB's community partners for all the hard work in helping to stock The Pantry shelves. As The Pantry serves the expanding needs of those who are coping with economic uncertainty and food insecurity, we are appreciative. The continued support of residents, as well as municipal, business, civic, and religious organizations is truly, Neighbors Helping Neighbors, in action!

A sustained effort from The Nutley Rotary Club during August and September added substantially to fill the pantry shelves:

Coach DiGregorio headed Grocery-Bag Drop-Off aided by Coach DiPiano and Nutley Rotary.
