

Nutley Family Service Bureau Food Pantry Is Grateful!

COACHING A TEAM IN GENEROSITY FOR THE PANTRY

Coach Michael Blanchard and the Nutley Jr. Raiders Wrestling Team continued their support of The Pantry with December and January Drives which resulted in contributions of \$3,200 and 3,600 non-perishable items to stock our shelves.

INTERNATIONAL LIVE EVENTS ASSOCIATION TEAMED UP WITH NFSB

The New Jersey Chapter of the International Live Events Association (ILEA) teamed up with NFSB for a food and clothing drive which collected about 90 bags of gently used

items for The Shop and 30 bags of non-perishable items for The Pantry.

The time and energy of so many helped to make this effort possible. Shout out of appreciation to all NFSB Pantry, ILEA, and NHS Student Counsel Volunteers.

Winter food collections combined for a total of 637 grocery bags full of items. These collections will provide food for 8 families for an entire year!
